  <h1 align="center">KERALA ROAD TRANSPORT CORPORATION</h1>
  <hr width="55%"><br><br>
  <p style="text-indent:8em;">KSRTC, the fond name for Kerala State Road Transport Corporation, connects the state well on road. As one of the oldest operated and managed public transports of India.

  The history of Kerala State Road Transport Corporation began whilst the development of the transport industry it wasn't booming enough like today. The Travancore State Transport Department (TSTD) was constituted by the erstwhile Travancore Government with a view to reorganize the transport service of the State.Mr E.G. Salter, Assistant, Operating Supdt of London Passenger Transport Board was appointed as Supdt on 20.9.1937.

  <section id="description">
    <p>Consequent on the enactment of Road Transports Corporation Act in 1950, Govt. of Kerala formulated KSRTC rules in 1965 by sec.44 and the department was converted into an autonomous corporation on 1.4.1965. The Kerala State road Transport Corporation was established by the government of Kerala by the notification dated, 15-3-1965. The arrangements required for the smooth taking over of the services run by the Kerala State Transport Department were made expeditiously by the Corporation. .
